

Emergency number/First Aid for EEW Delfzijl

Internal emergency number: 333

Mobile emergency number: 05 96-67 43 33

First Aid room:
On the 2nd floor of the office building opposite the lift doors

What should you do in case of an accident or fire

1. Stay calm

2. Call the Emergency number 333 and give the following information:

- Where did it happen?
- What happened?
- How many injured?
- Nature of the injuries?
- Wait for questions.
- Inform the responsible Duty Manager immediately.

What should you do when the alarm sounds!

When you hear the alarm, you must stop all work and everyone must go to one of the gathering places (see map of EEW Delfzijl). The choice of gathering place also depends on the wind direction. The gathering places are shown on the map in this leaflet.

General code of conduct

1. If you breach safety rules, you will be removed from the site.
2. It is compulsory to wear PPE. Wearing helmets, eye protection and safety boots is compulsory on the entire site. Entering the site on the footpath from the site entrance to the office building is exempted from this obligation.
3. It is not permitted to consume alcoholic drinks or drugs on the site.
4. Smoking and open flames are strictly prohibited on the entire site. Smoking is only permitted in the designated smoking areas.
5. The speed limit on the site is 15 km/h. Escape routes must be kept clear at all times.
6. Outside companies report to the Duty Manager on starting and ending their activities.
7. Entering fenced off areas on your own initiative is prohibited.
8. A work permit is required for all activities.
9. Order and tidiness are preconditions for a safe workplace.
10. If you work at height above 2.5 metres it is compulsory to use fall-protection equipment. This does not apply to work on approved scaffolding.
11. You may not use working platform. Permission may be given following consultation with a safety expert.
